NOTICE OF APPEAL

Comes now, *pro se* Plaintiff David Stebbins, who hereby submits the following notice of appeal.

I intend to appeal the following orders:

- The order made during the telephone conference scheduled April 22, 2011 denying the
 motion to confirm the arbitration award. The United States Court of Appeals for the
 Eighth Circuit previously dismissed the case without prejudice due to an erroneous lack
 of interlocutory jurisdiction, but that does not stop me from appealing the order on a final
 judgment.
- 2. Document #151, adverse grant of summary judgment in favor of the Defendants.
